Loss of Votes-

Through the neglect or ignorance of voters to mark their ballots properly, at the election on the third, several hundred votes were lost. About one hundred voters did not vote for any one, as they failed to put a cross either at the head of their ticket or before a candidate's name. Some electors voted for only one man, having neglected to mark a cross at the head of the ticket, and merely marked a cross before one

On candidates for city offices the number of electors who did not vote can be seen in the following:

The ward poll lists show the total number of electors who voted to be 2,545. For the office of Comptroller 2,422 votes were cast, showing a loss of 123. For Recorder the vote cast amounted to 2.393, which shows a loss of 152. The total vote cast for Justice of Peace was 2,372, a loss of 173.

The following will show the number of votes lost in the wards for Comptroller: First, 17; Second, 26; Third, 18; Fourth, 17; Fifth, 29; Sixth, 16.

For the office of Justice of Supreme Court 198 electors in the city failed to vote, and for Circuit Judge 200 neglected to mark their tickets. For County Commissioner of Schools, there is a loss of 235.
